Software Engineering Technology (AI) Co-op Student

Full-Stack Development • AI Application Development • Agile Collaboration

- Results-oriented Software Engineering Technology (AI) Co-op student with applied project experience in full-stack and AI-powered development
- Demonstrated skill in object-oriented programming, database design, and building applications with the Gemini API
- Applied experience in requirements engineering, Agile practices and Git/GitHub version control
- Strong communication skills, developed through frontline roles in campus events and community service

Technical Skills

Programming: Java, JavaScript, Python, C#, SQL, HTML/CSS

Frameworks & Libraries: React, Node.js, Streamlit

Databases: Oracle, SQL, Database Design

AI & Machine Learning: Gemini API (text and multimodal vision), AI Foundations, Ethics of AI

Development Tools: Git/GitHub, Visual Studio Code, REST APIs, JSON, Zod Validation

Operating Systems: Linux/Unix, Windows

Other Tools: Jira, Agile/Scrum, Testing & QA, Microsoft Office

Education

Software Engineering Technology – Artificial Intelligence (Co-op) Advanced Diploma Jan. 2026 - Present
Centennial College, Toronto, ON Expected Graduation: April 2029

- **GPA:** 4.2/4.5
- **Courses:** C# programming, Software Engineering Fundamentals, Web Interface Design, Database Concepts, Java programming, Software Requirements Engineering, Unix/Linux Operating Systems, Java Programming, Web Application Development, Introduction to Artificial Intelligence, Artificial Intelligence Systems Design

Foundation in Science (Computing / IT) Feb. 2024 - Oct. 2024
Australian College of Business & Technology (ACBT), Kandy, Sri Lanka

Diploma in English Sept. 2023 - Feb. 2024
ESOFT Metro College, Ampara, Sri Lanka

Select Academic Projects

FridgePulse – AI Kitchen Copilot (Hackathon Project) 2026

- Built an AI-powered web application that identifies grocery items from user-submitted photos using the Gemini multimodal vision API
- Developed a deterministic freshness engine that classifies each item as Fresh, Use Soon, Use Today or Expired, giving users a clear view of what to consume first
- Designed a “Rescue My Food” workflow that generates recipes from ingredients nearing expiry, helping to reduce household food waste
- Implemented a human-in-the-loop review step with Zod schema validation to verify AI output for accuracy and safety before inventory data is saved
- Technologies: React, Node.js, Gemini API, JSON, Zod Validation

AI Study Buddy – AI Quiz Generator

2026

- Developed a quiz generator that creates practice questions from any user-entered topic and selected difficulty level using the Gemini API
- Built an interactive Streamlit interface allowing users to generate, review and practise quizzes in a single session
- Structured prompts and parsing logic to return consistently formatted question and answer sets
- Technologies: Python, Streamlit, Gemini API

PlanPilot – Software Requirements Specification (Group Project)

2026

- Co-authored a full IEEE-standard SRS document for an AI-powered scheduling assistant as part of a student development team
- Defined functional and non-functional requirements, use cases, UML diagrams and stakeholder analysis
- Collaborated with teammates to map system workflows, constraints and scheduling optimization logic
- Technologies: UML, Requirements Engineering, Technical Documentation

Professional Development & Certifications

WHMIS (Ontario) | AODA Accessibility Training | Workplace Health & Safety (WHS)

Extra-Curricular & Community Involvement

Event Ambassador | Centennial College - Student Engagement & Campus Life, Toronto, ON

2026 - Present

- Support major campus events including Convocation and Open House, guiding and helping graduating students and guests through ceremony processes
- Coordinate with Campus Tour Ambassadors, CCSAI and Student Life staff to keep full-day events running on schedule

Volunteer, Student Engagement | Centennial College Student Association (CCSAI), Toronto, ON

2026 - Present

- Assist with student life activities, outreach initiatives and community-building events across campus

Other Experience

Food Bank Assistant (Part-Time) | Centennial College Student Association (CCSAI), Toronto, ON

2026 - Present

Customer Service Associate (Part-Time) | Swiss Chalet, Toronto, ON

Jan. 2026 - Mar. 2026
